To,

The Registrar General,

Punjab and Haryana High Court,

Chandigarh.

Subject : An appeal to Hon'ble Chief Justice-for taking suo motu notice of an alarming news report.

Sir,

I am enclosing herewith a news report, which appeared in today's news paper "Punjab Kesari", which shows that doctors, and other supporting staff, employed in PGIMER, Chandigarh and Sector-32 Hospital, are themselves pooling funds for purchasing N 95 Masks and Personal Protective Equipments (Kits) for protecting themselves from Corona Virus during discharge of their duties. It is an alarming situations that our saviors, who are risking their own lives for protecting lives of Corona patients, are being deprived of personal protective equipment, while there is no dearth of such material/items in either of these two premier institutions.

It is an emergency situation. I am just making a very humble request that this matter may kindly be brought to the kind notice of the Hon'ble Chief Justice, for consideration ,If deemed appropriate, as a Court on Its Own Motion matter (PIL)

Soliciting considering in correct perspective.

(H.C. ARORA)
