Hon'ble Captain Amrinder Singh,

Chief Minister, Punjab.

SUBJECT: Spread of Corona through Hukkah Parties at  
Rajpura (Patiala)

Dear Sir,

The people of Punjab have been witnessing for the last two weeks the manner in which the Punjab Government under your stewardship has waged a war against outbreak of Corona. It is therefore, our duty towards the Government and the people of Punjab that we should assist the State Government in every possible manner in this warlike situation

It has been published in various news papers that the spread of corona in Rajpura is due to Hookah Parties hosted by two business men. It is undoubtedly, a matter of serious investigation. If the allegations are found to be true, then the persons behind the Hookah parties must be brought to book by adding more serious sections of Indian Penal Code, like section 307 thereof, as the conduct of the concerned persons, who arranged such Hookah parties is very serious. They have intentionally betrayed the Nation, and brought havoc to the people of Rajpura.

Soliciting serious consideration.

With regards.

Yours Sincerely,

(H.C. ARORA)
