Hon'ble Captain Amrinder Singh,

Chief Minister, Punjab.

Dear Sir,

SUBJECT: Appeal for some special incentive for Medical Staff, Police officials, and Media persons, who are on active duty in the field during curfew/lock down period.

Sir,

It hardly needs any formal appreciation that the Medical staff (doctors, Nurses, Para-medical staff and others), Police personnel, and media persons, who are actively on duty in the field during the current curfew period, in the State of Punjab, are acting as our saviors. They are discharging their duty to protect us during these worst times, against spread of Corona, by standing in the front line for enforcing curfew, and by providing us useful and speedy information from the battle fields of Corona. Although no financial incentive to the aforesaid category of our saviors may compensate them, nor any reward can be befitting in view of the nature of services being performed by them, yet in my humble opinion, and subject to any incentive package that may be worked out for them, they should be given double salary for the curfew period. They should also be supplied good quality masks and gloves, at reasonable intervals, at the cost of Government. That apart, the Police officials, and Media persons, who are on active duty in the field during curfew/lock down period, should also be covered under special insurance, at par with medical staff. (Doctors, Nurses and other staff)

Soliciting serious consideration.

Yours Sincerely,

(H.C. ARORA)
