Chandigarh

SUBJECT: Against High Speed driving by VIP Vehicles in
Chandigarh

By e-mail

Dear Sir,

This is to bring to your kind notice that VIP Vehicles are VIOLATING WITH IMPUNITY the speed limits in Chandigarh. Such vehicles include vehicles of Governors/Chief Ministers, and Ministers of Punjab and Haryana, and even those of Judges. In fact, vehicles of all those personalities, who have been provided with gunmen/security, violate the speed limits with impunity. Chandigarh Traffic Police does not dare to challan such vehicles. Luxury cars running on Chandigarh roads seldom observe speed limits. Only persons like me, with ordinary cars are being challaned by the UT Traffic Police. Whenever convoy of VIP Vehicles is speeding up on any road in the City, its hooters /sirens over-awe the citizens. I may share with you that I faced a peculiar situation near Sukhna Lake/Rock Garden about two months back, when I was coming out from High Court from Rock Garden side. I was stopped

by a traffic police official, and he was virtually shouting at me. He was angry that I did not speed up my vehicle despite the fact that he had signaled me to do so, because a convoy of vehicles of Haryana Governor was coming behind me. The Traffic Police Official noted down my mobile number also, and let me go only after giving me a warning that if he received any message from Haryana Governor's convoy, he would have to challan my vehicle. I always recollect this incident whenever I travel on aforesaid route.

I would therefore, request you to kindly take up this matter at the highest level, and ensure that VIP Vehicles do not violate the specified speed limits on Chandigarh roads. If you can ensure observance of speed limits by VIP Vehicles on Chandigarh roads, that would enhance the respect for VIPs in the hearts of residents of Chandigarh.

With regards.

Yours Sincerely,

(HARI CHAND ARORA)
